### SB 165: Pharmacist Provider Status

[Join Zoom Meeting](#)

## Agenda

- Review the current state of Hawai'i pharmacy practice and the legislative process
- Present SB 165 and the intended implications
- Discuss the mandatory triggered audit and timeline
- Identify opportunities for pharmacists across various care settings
- Allow for open discussion/questions prior to hearings
- Suggest action items throughout the legislative session

*It's time for pharmacists in Hawai'i to work together to be financially compensated for the services we are trained to provide (and already provide!) as medication experts.*

*We look forward to addressing your questions, comments, and suggestions to create a unified voice for the profession!*

*This meeting is open to HPhA members and non-members.*
